

THE CHAMBER

WE MEAN BUSINESS

THIS WEEK AT THE CHAMBER, September 27

Are you doing business in the Wood River Valley?

The Wood River Business Expo is back next month on October 25th, and is a great way to showcase your business and let the Valley know what you do and how you do it. Last year's Business Expo was held at Atlantic Aviation in Hailey

and was a great way for over 50 Wood River Valley businesses to highlight their products and services, network with other professionals and be a part of the vibrant business community that is the very fabric of life in our pretty, little valley.

This year's Business Expo is co-hosted with Sun Valley Economic Development at our sponsor hotel Limelight in Ketchum.

Reserve your space today and come be a part of this important event. Members of either The Chamber or Sun Valley Economic Development will receive special member's pricing for their tabletop display area. The public is encouraged to attend this event to learn more about our local business community.

Click [here](#) for more information about this event, including sponsorship opportunities.

Please let us know if you would like to host a Business After Hours or a Wake Up Event in 2018.
